#### TYPICAL WORK ACTIVITIES FOR THIS POSITION ARE AVAILABLE TO REVIEW UPON REQUEST

<u>Subjects of Examination</u>: A written test designed to evaluate knowledge, skills and /or abilities in the following areas:

<u>Preparing written material:</u> These questions test for the ability to present information clearly and accurately, and to organize paragraphs logically and comprehensibly. For some questions, you will be given information in two or three sentences followed by four restatements of the information. You must then choose the best version. For other questions, you will be given paragraphs with their sentences out of order. You must then choose, from four suggestions, the best order for the sentences.

<u>Understanding and interpreting written material:</u> These questions test for the ability to understand and interpret written material. You will be presented with brief reading passages and will be asked questions about the passages. You should base your answers to the questions only on what is presented in the passages and not on what you may happen to know about the topic.

Applying written information in a correctional services setting: These questions test for the ability to read, interpret, and apply rules, regulations, directives, written narratives and other related material. You will be required to read a set of information, and to appropriately apply the information to situations similar to those typically experienced in a correctional services setting. All the information needed to answer the questions asked concerning the situations presented is contained in the rules, regulations, etc., which are cited.

Observing and recalling facts and information: These questions test for the ability to observe and recall information presented. You will be presented with information describing or depicting prison scenes or other facts. You will have a short time to observe and memorize the information before it is collected by the monitor. You will then be asked to recall specific details about the information presented.

<u>Test guide:</u> A Guide for the Written Test for Correction Officer is available at the New York State website: <a href="https://www.cs.ny.gov/testing/testguides.cfm">https://www.cs.ny.gov/testing/testguides.cfm</a>. Candidates not having access to a computer or the internet may request copy of the test guide from the municipal civil service office conducting this examination using the contact information found elsewhere on this announcement.

QUALIFYING PHYSICAL FITNESS SCREENING TEST DATES: Candidates passing the written portion of the examination will have their names placed on the eligible list but will be required to pass a qualifying Physical Fitness Screening Test before they can be certified for appointment. The test will be conducted at a later announced date. If eligible, candidates will be provided with a Release of Liability form, Release to Participate form, Physical Fitness Screening Test form AND notification of the date, time, and where to appear for their scheduled Physical Fitness Screening Test. Notice will be sent by email when possible; otherwise it will be sent to mailing address provided. Candidates are responsible for checking their email and/or spam folder for notifications. Failure to appear for a scheduled Physical Fitness Screening Test will be considered an unqualified declination and the name of such candidate may be eliminated from future certification.

The three elements measured in the Physical Fitness Screening Test are muscular endurance, absolute strength and cardiovascular capacity. The following is a brief description of the test. Copies of the Physical Fitness Screening Test are available upon request from the Tioga County Office of Personnel and Civil Service.

Muscular Endurance: The requirement is for a number of bent-leg sit-ups to be performed in one minute.

<u>Push Up</u>: This test measures muscular endurance of the upper body (anterior deltoid, pectorals major and triceps). The requirement is for a number of full body repetitions that a candidate must complete without breaks.

Cardiovascular Activity: 300 Meter Run; the requirement is for the attainment of a score calculated in seconds.

Note: The candidate must meet the Physical Fitness Standards, depending on age and sex, prescribed by The Cooper Standards, 40<sup>th</sup> percentile. Copies of standards are available from the Personnel Department.

**QUALIFYING TEST POLICY:** Should a candidate fail to meet any one element of the Physical Fitness Screening Test, they will then be immediately scheduled to retake the test one final time. The candidate will be retested on all of the elements of the test and not just the element(s) which were not achieved. The Tioga County performance test policy may be obtained from the Civil Service Department. Candidates should review this policy prior to participation in a qualifying test.

If a candidate fails to meet any one element of the Physical Fitness Screening Test after being re-tested, they are considered to have failed the entire examination. Candidates would then have to wait to re-apply for the next announced Corrections Officer examination for Tioga County. At a minimum this wait would be one (1) year.

<u>Physical Fitness Screening Test Waiver Policy</u>: Depending on the date scheduled, the Tioga County Personnel & Civil Service Office may allow for a waiver of the Physical Fitness Screening Test should a candidate provide valid documentation that they have passed a physical fitness screening test in Tioga County or any jurisdiction in New York State and were tested on the exact MPTC standards in use by Tioga County or any substitute standards approved by the Cooper Institute. A waiver request must be submitted and approved prior to the date of your scheduled Physical Fitness Screening test.

All Physical Fitness Screening Test results are valid for one (1) year, regardless of the length of validity of the eligible list. Therefore, a candidate may be required to participate in the Physical Fitness Screening Test portion of the exam more than once if they have not earned appointment within one (1) year from the date of their first Physical Fitness Screening Test.

<u>Use of Calculators</u>: The use of a calculator is **ALLOWED**. Candidates are permitted to use quiet, hand-held, solar or battery powered calculators. Devices with typewriter keyboards, spell checks, personal digital assistants, address books, language translators, dictionaries, or any similar devices are prohibited. Cell phone calculators are prohibited.

**SEND CHECK OR MONEY ORDER** payable to **TIOGA COUNTY TREASURER**, as directed above, and write the examination name(s) & number(s) on your check or money order. Submit this to the address above. If paying by cash, please bring payment(s) directly to the Tioga County Department of Personnel & Civil Service. As no refund will be made, you are urged to compare your qualifications carefully with the requirements for admission and file only for those examinations for which you are clearly qualified. A check returned for insufficient funds may disqualify your application and result in further action and/or service charges. *Online credit or debit card payment is subject to a surcharge.* Credit or debit card payment is not available if paying in person, in our office.

### **EXCEPTION TO THE APPLICATION FEE** will be made for the following:

- 1. Promotional exams;
- 2. Provisional Tioga County employees who have held a permanent position in the classified service immediately prior to provisional appointment in title named for this examination;
- 3. Examination candidates receiving public assistance from a State or Local social service agency, and/or who are currently unemployed. Individuals wishing to claim this waiver of fee must complete the Application Fee Waiver Form at time of application. All information is subject to verification, and if found to be fraudulent, are grounds for barring examination or appointment.
