Promotional Qualifications: At time of examination, candidates must be currently employed **AND** have **six (6) months** continuous **permanent** competitive class **status** as an **Accounting Associate I** within a **Tioga County Department**.

Distinguishing Features of the Class: The work involves responsibility for the independent performance of moderately difficult financial accounts and records maintenance. An incumbent will work within specific law, office rules, procedures and/or policies. The work may require decision making as to methods to be used and classification of records and accounts. The incumbent is responsible for entering and retrieving information using computer database/spreadsheet software. This position differs from Accounting Associate I in that duties are more complex and represent a higher level of responsibility and independent judgement in the performance of work assignments. The work is performed under direct supervision of a higher-level staff member, but has moderate autonomy in carrying out day-to-day activities. The incumbent may train and orient lower level staff workers. Supervision is not normally a responsibility of this position. However, when directed, the classification may exercise a limited degree of supervisory duties over a staff of three (3) or fewer. Does related work as required.
