How to Apply for Employment – General Interest

Currently, the Tioga County Department of Personnel and Civil Service provides an “**Online Application Portal**” for candidates to apply to a **Vacancy Posting** or an **Exam Announcement**.

If you do not see a Vacancy Posting or an Exam Announcement for the type of work you are seeking, we now accept online applications for **General Interest**. These applications will be accepted and reviewed for any applicable employment with Tioga County that may occur within a six (6) month duration from the date of submission.

Applicants will be required to comply with any and all civil service requirements and general employment stipulations.
