Bethany O'Rourke Personnel Officer

NOTICE OF VACANCY WASTEWATER TREATMENT PLANT OPERATOR – TOWN OF OWEGO

Date issued: 04/23/21. This is routine but important work involving responsibility, during a shift, for the efficient operation and maintenance of a Wastewater Treatment Plant with facilities for chemical precipitation, sludge digestion, sludge de-watering, ultimate sludge disposal, activated sludge, stabilization or oxidation process or any other biological oxidation process. The work is performed under the general supervision of a certified operator, qualified to be in charge of the complete and actual operation of the plant. Supervision may be exercised over motor equipment operators or other treatment plant employees. Does related work as required.

The title of Wastewater Treatment Plant Operator is **Competitive**, requiring applicants to meet minimum qualifications established for the position. Applicants with a Plant Operator's certificate are desired. Permanent employment requires successful completion of the civil service exam requirements. **For more information or to apply, view Water & Wastewater Treatment Plant Operator / Trainee exam #80000 under continuous recruitment examination announcements.**

Status: Provisional, pending permanent appointment from eligible list
Work Hours: Full time; M-F 7-3:30pm, occasional overtime on weekends and holidays
Salary: Depending upon qualifications; benefit package available, New York State Retirement System
Location: Town of Owego Utilities

MINIMUM QUALIFICATIONS: Graduation from high school or possession of a high school equivalency diploma **AND** eligibility for an appropriate Plant Operator's certificate issued under the provisions of Section 650 of the New York State Code of Rules and Regulations. Possession of a 2A (minimum) certificate at time of appointment. Qualifications for certification vary according to the Grade of Wastewater Treatment Plant, as determined by the New York State Department of Environmental Conservation (DEC).

Town of Owego Wastewater Treatment Plant Grading – 3A & 4A.

Applicants who are not yet eligible for an Operator's certificate but have either a high school diploma or equivalency may be considered at the Trainee level.
