For other questions, you will be given paragraphs with their sentences out of order. You must then choose, from four suggestions, the best order for the sentences.

Understanding and interpreting written material: These questions test for the ability to understand and interpret written material. You will be presented with brief reading passages and will be asked questions about the passages. You should base your answers to the questions **only** on what is presented in the passages and **not** on what you may happen to know about the topic.

The questions will not be specific to a particular field.

Questions relate to the personal interactions between an upper level supervisor and his/her subordinate supervisors in the accomplishment of objectives.
